**Re: Updated Notice of Land Use Violations; Cease and Desist
948 Province Road**

Mr. and Ms. Hanselman:

The Board has reviewed your Minor Building Permit Application for a 10'x16' greenhouse with the Building Inspector.

As the structure is less than 200 square feet, it has been determined that a permit is not required for this. Please note that if the permitted use of the greenhouse should change and/or there is any increase to the size (making it 200 square feet or more), then permit applications must be submitted.

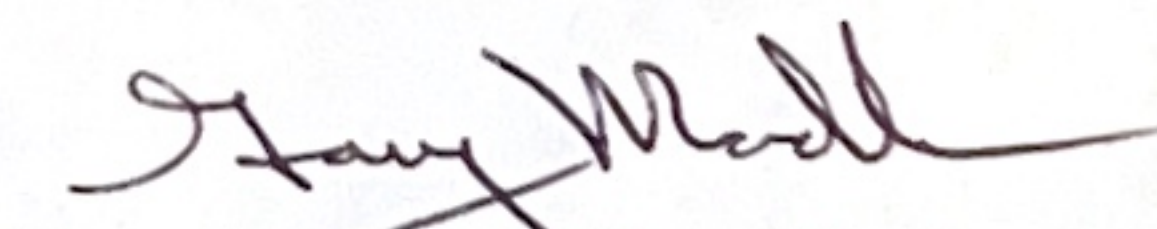

Sincerely,

Diane Beijer, Chairman

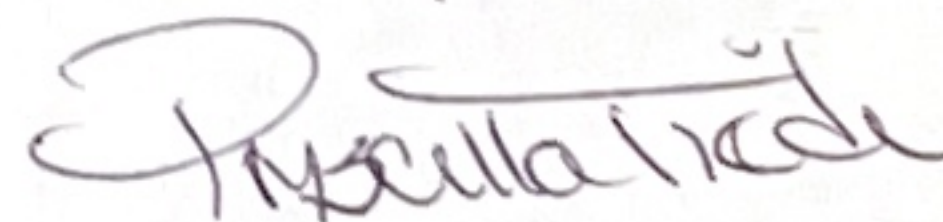

Robb Ellis

Alistair Abutter
Edward Tasker
Barnstead Board of Selectmen

Gary Madden, Vice Chairman

Priscilla Tiede
