Karen,

Yes, both Jared and I will be there for tonight's meeting.

Is it possible for me to receive a copy of the draft meeting minutes and transcribed minutes from the meeting on March 7th ahead of this meeting?

Thank you,

Erin

Erin,

My apologies..... MaryJane went to the "L" drive and then got to the draft minutes. It doesn't appear that they are complete (i just perused them quickly). Karen

Karen,

I feel like the minutes from that meeting are essential in terms of what Jared and I are requesting from the Select board. We would like to reschedule the meeting for a future date when the minutes and/or audio or transcription is complete and available.

Thank you,

Erin

Erin,

No problem. I can reschedule you for next Tuesday evening, as I'm sure the draft will be done by that time or if you prefer it can be after the 1st Planning Board meeting when the minutes will be reviewed, discussed, (changes made?) and then accepted. Just let me know. Karen

Good morning Erin,

I would like to schedule you for the April 2nd meeting with the Selectmen. The March 26th meeting is full. Let me know if April 2 works - there's a department head meeting that night but I can put you in for 7pm. Thanks, Karen

Karen,

Yes, both Jared and I will be there tonight at 7pm. I do have the draft minutes as well.
Are you able to share any details from the meeting with the Board of Selectmen that included Nancy and Fab? I have not received any updates on if or how that was resolved.

Thank you,

Erin
